SAMBHRAMAA GLIMPSES

ABOUT ISAB

ISAB is one of India's leading private institutions, focused on offering assistance to complete academic life cycle including admission support with diversity, quality training, national & international exposure and placement opportunities in the domains of food and agribusiness. By partnering with various universities, ISAB offers a great platform for students to build a secure and successful career in food, agriculture and allied fields. ISAB has rich support of 300+ agribusiness companies to make it vibrant and relevant to the global food and agribusiness Industry. ISAB also has a well-experienced panel of 50+ Corporate Heads, Academia, Practitioners, Researchers, and Entrepreneurs who take courses on professional skills, business innovations, entrepreneurial aspects, knowledge-to-skill conversion, and contemporary issues.

VISION

ISAB was established with a mission to foster excellence in food and agribusiness management. ISAB transforms students into future leaders ready to contribute to the global food ecosystem through professional training, quality research, and industry interface.

MISSION

To become an institution of global reputation in the field of agribusiness management, research, education, business modeling and knowledge creation.

GLOBAL EXPOSURE

VISIT TO MALAYSIA, SINGAPORE, DUBAI

ISAB Greater Noida sponsors a global exposure visit to foreign countries for outstanding students who excel in academics, extracurricular activities, and leadership roles, rewarding their exceptional performance with valuable international experiences.

MESSAGE FROM THE FOUNDER'S DESK

Mr. Saurabh V Pandey

Founder - ISAB, Greater Noida

Alumnus: GBPUA&T Pantnagar, IIM Ahmedabad

founder@isab.org.in

“

As the global population is projected to approach 10 billion by 2050, the demand for innovative food processing techniques and sustainable agricultural production is more critical than ever. The declining share of agriculture in total production and organized employment is unfolding at different rates across regions, posing unique challenges that require adaptive and forward-thinking solutions.

In a country like India, where agriculture remains a cornerstone of the economy and a key contributor to the GDP, there is an urgent need for dynamic, skilled, and innovative professionals in the agribusiness and food processing sectors.

To address this need, I undertook a personal journey—visiting over 75+ agricultural and agribusiness institutions including GBPUAT Pantnagar, NDRI, MANAGE, XIMB, CAU, BHU, CAU Jhansi, IIT Kharagpur, and more. I interacted with more than 15,000 students to gain first-hand insights into their aspirations, challenges, and expectations. This extensive outreach allowed me to bridge the gap between student ambitions and corporate industry requirements.

At ISAB, we are proud to be supported by a network of 21+ highly respected faculty members, alumni of esteemed institutions such as IIT, IIM, IRMA, MANAGE, and XLRI, with deep-rooted experience in corporate and policy-making roles.

Our institute is committed to holistic development. We incorporate live projects, extracurricular activities, weekly guest sessions, monthly seminars, and quarterly live internships to ensure our students are industry-ready and future-proof.

ISAB has earned national recognition for its robust academic structure, corporate exposure, and dedicated placement support. Our students regularly attend 50+ expos and trade fairs, and benefit from insights shared by 100+ corporate leaders, MDs, and CEOs. Each year, the top 10–15 meritorious and all-rounder students are sponsored for international exposure trips to countries such as Malaysia, Singapore, Israel, Turkey, Bhutan, and Sri Lanka, fostering cross-cultural learning and a global outlook.

We also provide 500+ hrs comprehensive placement training, aptitude and corporate communication skills including Blockchain, Cloud, AI & ML, stipend-based summer and winter internships, Business Analytics and Digital Marketing, Corporate Communication programs, and Corporate Life Skills sessions.

Over the past six years, we are grateful to have partnered with 300+ recruiters and industry experts, consistently delivering 100% placement assistance to eligible students across Food & Agribusiness, Rural banking sector etc.

At ISAB, we believe in shaping not just managers—but quality managers who are capable of driving social and economic transformation. Since our inception, we’ve nurtured the vision of becoming a globally recognized management institute, and every step we take is aligned with that mission.

We are committed to building not just careers—but satisfying and meaningful lives for our students.

I extend my best wishes to all our stakeholders, partners, and aspiring students who are contributing to the future of our nation.

”

MESSAGE FROM THE CHAIRMAN'S DESK

Dr. Pradyumna Pandey

Chairman - ISAB, Greater Noida
chairman@isab.org.in

“ It gives me immense pleasure to welcome you to ISAB Greater Noida an institution committed to nurturing the next generation of leaders in Food and Agribusiness Management through innovation, Industry exposure, and ethical leadership.

With over 30 years of experience across India's leading corporates and academic institutions, I have witnessed firsthand the transformation of individuals who are given the right environment to grow. ISAB Greater Noida, we are building not just careers, but character. Our purpose is to shape professionals who are agile, responsible, and visionary in a world that demands both speed and substance.

ISAB Greater Noida was founded with a clear vision to bridge the gap between academia and the evolving needs of the food and agribusiness ecosystem. Today, our institution is recognized for offering one of the most industry-integrated and future-focused programs in the country. From personalized mentoring to global exposure visits, our students receive an education that blends rigor with relevance.

We take pride in our exceptional faculty drawn from reputed institutions such as IIMs, IRMA, MANAGE and more, along with industry leaders who engage directly with students through masterclasses, workshops and real-world projects.

This year, we've reached a remarkable milestone-over 130+ students placed, 50+ recruiters, and several international opportunities, including a fully sponsored boot camp in Dubai on Agritech and Business Innovation. These achievements reflect our commitment to ensuring outcomes that go beyond promises.

What truly distinguishes ISAB Greater Noida is our belief in holistic development. As a Certified Happiness Coach, I personally advocate for mental well-being, resilience, and self discovery values that we actively integrate into our campus culture. Because true leadership stems from inner clarity, purpose, and the ability to lead oneself before leading others.

As you consider the next chapter in your academic and professional life, I invite you to explore how ISAB Greater Noida can help you become not just a successful manager, but a thoughtful and impactful leader.

Welcome to a journey of growth, excellence, and transformation.

MESSAGE FROM THE DIRECTOR'S DESK

Dr. Birendra Kumar

Director - ISAB, Greater Noida
dir.office@isab.org.in

“ My career has been dedicated to agricultural education, both in India and abroad. I've had the good fortune to teach and supervise students, fostering their agricultural knowledge and skills. This includes serving as Dean of Agribusiness at G.B. Pant University of Agriculture and Technology, Pantnagar, and as an Expatriate Professor at Alemaya University, Ethiopia, where I championed experiential learning focused on practical skill development.

The needs of the agri-business sector are constantly evolving. At ISAB, we recognize this by providing a holistic education that goes beyond traditional academic knowledge. We actively prepare our students for leadership roles, hone their soft skills, and equip them to tackle real-world problems in the field. Additionally, we encourage participation in seminars, conclaves, and corporate events, ensuring they gain first-hand industry experience.

At ISAB, we are committed to providing a quality education that fosters not only academic knowledge but also well-rounded personality development to meet the specific needs of the industry. Our esteemed faculty includes industry experts and academics from prestigious institutions like IIMs and other nationally recognized universities. This collaboration exposes our students to the latest advancements in both academia and industry trends.

ISAB has consistently maintained a strong placement record, with our graduates securing placements in top-tier agri-business companies and organizations. Our dedicated placement team works closely with students to identify suitable career opportunities and provide them with the necessary guidance and support.

As a result, our graduates are well-trained and prepared to excel in the ever-evolving agri-business sector.

”

DAILY MORNING MEDITATION & MENTAL WELLNESS CLASSES

Our students begin their day with Daily Morning Meditation & Mental Wellness Classes at ISAB, nurturing peace and clarity. This practice helps them stay focused, energized, and balanced throughout the day.

COMPETITIVE EDGE OF ISABIANS

MORNING PRAYER FOR POSITIVE AFFIRMATION

A morning prayer for positive affirmation is a practice where individuals start their day with a prayer or a set of affirmations designed to foster a positive mindset, gratitude, and inner peace.

MORNING EXERCISE FOR PHYSICAL WELLNESS

Consistent morning exercises can enhance your overall vitality and sense of well-being. You may notice increased resilience and better overall health.

WELL GROOMED PERSONALITY

Grooming and taking one's appearance can boost confidence. When individuals feel good about how they look, they tend to feel more self-assured and capable in various situations.

90% COMPULSORY ATTENDANCE IN EACH SUBJECT

Consistent attendance gives you the opportunity to connect with professors, classmates, and guest speakers, which can be valuable for future career prospects.

BIOMETRIC LOGIN SYSTEM FOR TRACKING TIME AND ATTENDANCE

By utilizing unique biometric markers such as fingerprints or facial recognition, this system eliminates the possibility of proxy attendance, ensuring that each student's attendance is recorded with precision.

JOURNEY AT ISAB

MBA – FABM 2024-26 Batch

SUMMER INTERNSHIP

Summer internships offer MBA students a chance to bridge the gap between academic knowledge and practical application, helping them build their careers and make informed decisions about their professional future. Students embark on a two - three weeks summer internship program, exploring diverse sectors such as Agri Input, Consultancy, Dairy, FMCG, Procurement, Poultry & Animal Husbandry, Agri Tech, Social Sector, Micro Finance & Rural Banking, Farm Equipments, Rural Marketing, Supply Chain, E- Commerce etc., while gaining experience in various domains, including marketing and sales.

CERTIFICATIONS

Certifications are integral in learning the new technologies, skills and abilities which are required in the industry. Earning a new certification or an advanced certification in a particular area of expertise can help in advancing one's career. Students at ISAB have attained certifications in Digital Marketing, Data Analytics, Supply Chain Management, Operations Management, Procurement and various other sectors.

TESTIMONIALS 23-25 BATCH

★★★★★

ISAB has been instrumental in shaping my professional journey. As Secretary of the Media Cell, I gained valuable leadership and communication skills while contributing to the institute's growth. I am grateful to be selected for the upcoming Global Exposure Program in Dubai. With ISAB's strong academic foundation and industry exposure, I successfully secured my placement at Adani Agri Fresh Ltd., marking the beginning of an exciting career ahead.

MS. ZAINAB KAUSER RIZVI
New Business Development Executive
Adani Agri Fresh Ltd.

★★★★★

My journey at ISAB has been one of the most enriching phases of my life. The institute provided me with the right platform to gain in-depth knowledge of agribusiness through classroom learning, case studies, industry visits, and guest lectures. The constant guidance and mentorship of the faculty were instrumental in shaping my growth and helping me secure a placement with Shree Renuka Sugars. I am truly grateful to ISAB, its faculty, and the vibrant learning environment for nurturing my skills.

MS. SAKSHI SHARMA
Management trainee at Shree
Renuka Sugars (Trade Execution)

★★★★★

Choosing ISAB was truly a life-changing decision that shaped my professional journey. The institute offered world-class education from top-tier Agri B-School faculty along with valuable corporate exposure through industry visits, events, and guest lectures. Being part of the Placement Cell further enhanced my decision-making, public speaking, and networking skills by engaging with industry leaders. These experiences built a strong foundation that helped me secure a campus placement as an Executive Trainee with Mother Dairy Fruits & Vegetables Pvt. Ltd., a wholly owned subsidiary of the National Dairy Development Board. I remain deeply grateful to ISAB for this enriching experience and career launchpad.

MR. SNEHASISH CHATTERJEE
Executive Trainee at Mother Dairy
Fruits & Vegetables Pvt. Ltd.

★★★★★

Executive Trainee and Marketing Development at Corteva Agriscience I began my career with two years of experience in the agri-input industry, which helped me build a strong foundation in field operations, marketing, and team management. Seeking to further enhance my skills, I joined ISAB Greater Noida for my MBA in Food and Agribusiness Management, where I gained exposure to strategic decision-making, supply chain management, and leadership development. During my MBA, I was fortunate to secure a golden opportunity for a summer internship with Corteva Agriscience in Morena (MP) and Aligarh (UP). I actively contributed to farmer engagement campaigns, crop promotion activities, large-scale farmer meetings, and distributor coordination, directly impacting sales growth. My performance during the internship earned me a Pre-Placement Offer (PPO). Today, I proudly work as an ETMD at Corteva Agriscience across Punjab and Haryana. The combination of my early career experience and the guidance I received at ISAB has truly prepared me for this exciting journey.

MS. ANUBHA ADHIKARI
Executive Trainee and Marketing
Development at Corteva Agriscience

★★★★★

Choosing ISAB was one of the most rewarding decisions of my life. The institute's rigorous curriculum, case-based learning, and industry-oriented exposure prepared me to take on real-world challenges with confidence. The unwavering guidance from faculty and the practical learning through internships, seminars, and projects helped me build strong analytical, leadership, and problem-solving skills. I am proud to be placed in Moglix, Biofuel Department, where I can contribute to sustainable energy solutions and innovative business practices. ISAB played a pivotal role in shaping my journey, providing me with the right platform to grow both professionally and personally.

MR. ATUL SHARMA
Management trainee at Moglix

★★★★★

Coming from a Hindi-medium background, I always aspired to build a strong career in agribusiness but faced challenges in communication and confidence. Joining ISAB Greater Noida was truly a turning point in my life. The institute not only provided me with in-depth knowledge of the food and agribusiness sector but also transformed my personality, communication, and overall professional outlook. Through classroom learning, case studies, industry visits, and continuous mentorship, I gained the right exposure and skills to excel in the corporate world. Today, I am proud to be working as a Management Trainee at IPL Biologicals. I sincerely thank ISAB, the faculty, and the entire ecosystem for this life-changing experience.

MR. HARSH PARMAR
Management Trainee - IPL Biologicals

TESTIMONIALS 23-25 BATCH

★★★★★

My journey at ISAB has been truly transformative in shaping my professional growth. Being selected as an Area Sales Executive Trainee at Reliance Consumer Products Limited is a reflection of the learning, guidance, and opportunities I received here. The exposure I gained as Event Manager in Sambhramaa and as Coordinator in the Agro Marketing Club helped me sharpen my leadership, communication, and organizational skills, while also building confidence to take on greater responsibilities. The constant encouragement from faculty and peers motivated me to push boundaries and prepare myself for the corporate world. I am sincerely grateful to ISAB for equipping me with the right skills, knowledge, and experiences that made this achievement possible.

MR. KRISHNA KISHORE KOMMANA
Area Sales Executive Trainee
Reliance Consumer Products Limited

★★★★★

Pursuing my MBA from ISAB has been one of the best decisions of my life. ISAB is not just an institute, but a place that transforms individuals into confident professionals and responsible human beings. The atmosphere, learning opportunities, and exposure I received here have been remarkable. Most importantly, the discipline I imbibed at ISAB became the foundation of my personal and professional success. I am deeply thankful to ISAB for constantly motivating, supporting, and providing me with opportunities that shaped my growth. Today, I am working with AU Small Finance Bank, India's largest small finance bank, and doing well in my career. Above all, I am happy, confident, and forever grateful to ISAB.

MR. ARINDAM KAR
Regional Manager
AU Small Finance Bank

★★★★★

ISAB has been a true launching platform in my career journey. The soft skills I developed, the strong curriculum, and the opportunity to be part of the Placement Cell equipped me with the right confidence and abilities to excel in interviews and secure a placement with Blinkit, one of the fastest-growing companies in quick commerce. I am especially thankful for the guidance and mentorship of our Director Sir, Mr. Saurabh K. Pandey, and the constant support of the faculty, which have been instrumental in shaping my professional journey.

MR. ROHIT CHOUHAN
Central Category
Senior Executive at Blinkit!

★★★★★

My journey at ISAB has been truly meaningful, offering a perfect blend of classroom learning, industry exposure, and continuous guidance from faculty that strengthened both my confidence and practical knowledge. Serving as a Placement Cell Coordinator gave me the privilege to interact with industry leaders and gain valuable insights, which further prepared me for corporate challenges. ISAB also provided me with an internship opportunity in the supply chain sector - the exact domain I aspired to pursue. That experience became the stepping stone for my final placement with Zomato Hyperpure in the same field. I am deeply grateful to ISAB for the support and opportunities that shaped my personal and professional growth.

MR. ANKE SUNIL KUMAR
F&V Sourcing
Zomato Hyperpure

★★★★★

I am truly grateful to ISAB, Greater Noida, for providing me with an enriching academic journey filled with knowledge and practical exposure. The highly experienced faculty not only imparted classroom learning but also shared real-world insights that helped me build a strong foundation. I am especially thankful for the hands-on internship opportunities with Crystal Crop Protection Ltd. and Q&Q Research Insights, which enhanced my practical understanding and industry readiness. Above all, I sincerely thank ISAB for facilitating my placement at DCM Shriram Ltd., a significant milestone achieved with the continuous guidance, support, and encouragement I received throughout my time here.

MS. PALAK KAUR
Senior Territory Business
Trainee at DCM Shriram

★★★★★

I am truly grateful to ISAB Greater Noida for offering me a transformative academic journey. The institute not only strengthened my conceptual knowledge but also exposed me to practical applications, building a strong foundation for my career. I am especially thankful for my internship at Saife Vetmed Pvt. Ltd., which provided valuable insights into real-world operations. I also feel privileged to secure my final placement with JU Agri Sciences Pvt. Ltd.—a milestone made possible through ISAB's constant guidance and encouragement. ISAB has equipped me with the knowledge, confidence, and skills to excel professionally, for which I remain deeply grateful.

MR. RITIK SHARMA
Management Trainee Marketing
Product Management JU Agri Science

SUMMER INTERNSHIP TESTIMONIALS

24-26 BATCH

★★★★★

During my summer internship at Adani Agri Fresh Ltd., I gained hands-on exposure to the sales and distribution of apples and grapes, with a focus on modern trade and supply chain operations. My role involved tracking sales performance across multiple channels, studying the fresh fruit retailing process, and analyzing QCOM listing procedures. These activities offered valuable insights into retail dynamics, channel management, and customer requirements. By working closely with the sales team, I understood how operational efficiency and structured distribution impact market reach and profitability. This experience strengthened my knowledge of sales operations, supply chain coordination, and retail management in agribusiness.

MS. PRIYANKA KAGAWAD
Adani Agri Fresh Ltd.

★★★★★

My internship at ITC was a deep dive into India's rural FMCG market, far removed from my agricultural background. With no predefined templates, I learned directly from the field—decoding retailer behavior, tracking secondary sales, and persuading skeptical shopkeepers. What I lacked in experience, I compensated with hustle, building genuine relationships and interpreting market dynamics beyond the numbers. The steep learning curve brought rejections and lessons no classroom could teach. Each interaction sharpened my ability to adapt, observe, and earn trust. Ultimately, I realized the rural market is driven less by boardroom strategies and more by instinct and relationships nurtured in Nadia's narrow lanes.

MR. ANIK BISWAS
ITC Limited

★★★★★

My internship at Mahindra Agri – Seeds Division was an enriching and transformative experience in Sales and Marketing. I worked on developing sales dashboards, managing FARMINSTA app data, and creating region-specific marketing content, which provided hands-on exposure to real business challenges. These tasks enhanced my analytical, technical, and communication skills while deepening my understanding of data-driven decision-making and farmer-centric marketing practices. The mentorship and collaboration I experienced further strengthened my confidence, adaptability, and problem-solving abilities. Overall, this internship not only broadened my practical knowledge but also prepared me to contribute effectively to the dynamic and evolving agribusiness sector.

MS. SHREYA REDDY
Mahindra Agri Solutions Limited

★★★★★

My internship at Crystal Crop Protection Ltd. as a Seed Intern in Sales & Marketing at Mahendragarh, Haryana, was a highly enriching experience. Working on the ProAgro Pearl Millet portfolio, I engaged with farmers, dealers, and distributors through awareness campaigns, demonstrations, and meetings, gaining valuable exposure to rural markets and farmer behavior. Contributing to the 'Pehle Aao, Pehle Pao' campaign helped me understand the importance of farmer loyalty and early engagement. I also supported sales target achievement in Mahendragarh and Ateli territories, which strengthened my knowledge of sales execution and market development. This internship enhanced my confidence, sharpened my skills, and deepened my commitment to the agribusiness sector.

MR. ARPIT KOKLIYAL
Crystal Crop Protection Limited.

★★★★★

During my summer internship at EW Nutrition, I conducted an in-depth market study on poultry liquid acidifiers and contributed to Go-to-Market strategies for a Pan-India product launch. Field visits across four districts in Tamil Nadu, covering 25 B2B entities, provided firsthand exposure to the poultry industry's ground realities. At the Noida office, I worked on competitor analysis, B2B communication, and digital marketing campaigns, gaining practical insights into strategic execution. This experience enabled me to apply marketing frameworks, strengthen analytical and Excel skills, and bridge classroom concepts with industry practice. Guided by strong mentorship, this journey proved to be a defining step in my professional growth.

MS. DEEPIKA S
EW Nutrition

★★★★★

During my summer internship at Syngenta, I worked with the products Virtako, Amistar Top, and Voliam Flexi in sugarcane crops across the Bagha region of Bihar. This role provided excellent field exposure through farm visits, product demonstrations, and farmer meetings, which deepened my understanding of crop protection practices. I also introduced growers to the Cropwise Grower app, enabling them to access crop advisory services and digital solutions for improved decision-making. The internship not only enhanced my technical knowledge and communication skills but also allowed me to contribute meaningfully to the farming community, making it a highly valuable learning experience.

MR. DIPANKAR PRADHAN
Syngenta India

SUMMER INTERNSHIP TESTIMONIALS

24-26 BATCH

★★★★★

During my summer internship at JK Agri Genetics as a Supply Chain – Operations Intern, I managed the plant's supply chain and operations. JK Agri Genetics is a leader in the research, development, production, processing, and marketing of Bajra (Pearl Millet), Cotton, Jowar (Sorghum), Rice (Paddy), and Mustard. My responsibilities included overseeing operations, monitoring inventory management, and managing the supply chain. In just two months, our team achieved a remarkable production of 10,000 tonnes. This experience significantly enhanced my understanding of supply chain operations, inventory management, and process coordination.

I am sincerely grateful to JK Agri Genetics and ISAB for providing me this valuable opportunity and support throughout my internship.

MS. SOWMYA JOSHI
JK Agri Genetics

★★★★★

My summer internship with DS Group (Agrifresh Division) was a highly enriching experience that offered practical exposure to sales and business development. Under the guidance of Mr. Nitin Trikha (Deputy General Manager – Agrifresh Division), I contributed to projects on customer engagement, product acceptance, and market research for leading quick commerce platforms. The internship enhanced my understanding of B2B sales, sharpened my negotiation and communication skills, and taught me to identify market needs and align them with business opportunities. This hands-on experience boosted my confidence and prepared me to take on future responsibilities in sales and marketing within the agri-food sector. I am sincerely grateful to DS Group, my mentors, and ISAB for this valuable opportunity and their constant support.

MR. KHUSHHAL AGRAWAL
DS Group

★★★★★

I had the privilege of pursuing my summer internship at Indorama Corporation, where I gained in-depth exposure to the Agri Input sector. The internship allowed me to connect directly with farmers and retailers, helping me understand demand generation and rural marketing strategies for key products such as Orja, Silica, Shakti Fertt, and Althrin. A major highlight was contributing to the launch of the newly introduced organic fertilizer Paras Vita Diamond. I actively conducted individual farmer interactions, village-level meetings, and product demonstrations, gaining valuable firsthand experience in building trust with stakeholders and creating awareness about innovative agri solutions.

I am grateful to Indorama Corporation and ISAB for this invaluable opportunity.

MS. SAYANI GHOSH
Indorama India Pvt. Ltd.

★★★★★

During my summer internship at Vegrow as a Demand Intern, I served as the primary custodian of vehicle arrivals in Haryana, overseeing the entire process from weighment and lot quality checks to seamless coordination with the supply side. I also contributed to market demand analysis, price forecasting, customer negotiations, and payment coordination, ensuring efficiency and transparency throughout operations. This experience significantly deepened my knowledge of demand forecasting, supply management, and customer engagement, enhancing my understanding of agribusiness markets and preparing me to handle future challenges in the sector.

I am sincerely grateful to Vegrow and ISAB for providing me this valuable opportunity.

MR. ANKUR BHARDWAJ
Vegrow

★★★★★

During my summer internship at JU Agri Sciences Pvt. Ltd., I worked on the introduction of a new fungicide targeting tomato blight. My responsibilities included market research, competitor analysis, interactions with distributors and territory in-charges, and pre-launch surveys to assess disease incidence and fungicide adoption patterns. Based on these insights, I developed a strategic plan covering product positioning, market segmentation, and go-to-market recommendations. This experience enhanced my skills in market analysis and strategic planning while providing valuable exposure to the crop protection industry.

I am sincerely grateful to JU Agri Sciences Pvt. Ltd. and ISAB for this opportunity, which has greatly contributed to my professional growth in the agribusiness sector.

MS. DEEPANSHI BHATNAGAR
JU Agri Science

★★★★★

My summer internship at Godrej Agrovet was a highly enriching experience that bridged classroom learning with practical field exposure. Over two months, I engaged with over 500 farmers and conducted two demonstration programs daily, showcasing products such as Gracia, Double, and Bonus. This internship sharpened my sales and marketing skills, strengthened my ability to connect with farmers, and deepened my understanding of agri-input business operations. It offered valuable insights into rural markets while boosting my confidence in handling real-world challenges.

I am sincerely grateful to Godrej Agrovet and ISAB for providing this platform, which has been instrumental in shaping my professional journey.

MR. DEBABRATA DAS
Godrej Agrovet

ALUMNI CELL

The Alumni Cell at ISAB, Greater Noida, fosters lifelong bonds between the institute and its graduates. Through initiatives like the Alumni Talk Series and Sangam, it connects past and present ISABians, celebrates achievements, and creates networking and mentoring opportunities. By keeping alumni engaged and connected, the Cell ensures they remain an integral part of the ISAB family.

Abhyuday	Annual Alumni Meet
Sangam	Chapter-wise Alumni Meet
Alumni Talk Series	Knowledge-sharing sessions with alumni

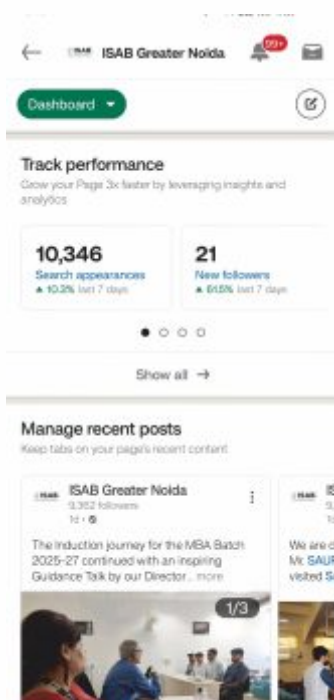

MEDIA CELL

The Media Cell serves as the official communication and branding unit of ISAB. It manages the institute's social media platforms, website, and promotional content, ensuring timely updates on events, achievements, and initiatives.

With strong capabilities in photography, videography, design, and content creation, the Cell not only strengthens ISAB's digital presence but also contributes to the institute's magazine Krishi Unnati. It further drives impactful marketing campaigns and organizes flagship competitions such as Aavirbhava (Photography) and Abhivyakti (Advertisement Design) during Sambhramaa, showcasing the creativity and professionalism of ISAB's students.

ISAB SOCIAL MEDIA HANDLES MANAGED BY MEDIA CELL

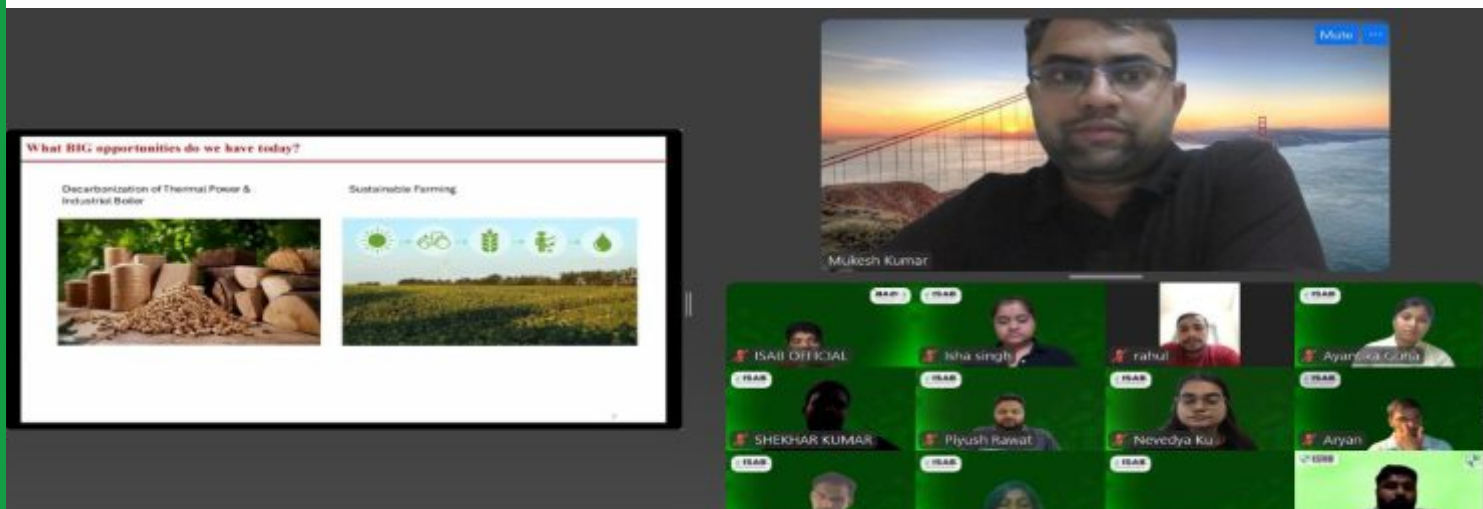

LITERARY & PUBLIC SPEAKING CELL

The Literary and Public Speaking (LPS) Cell at ISAB nurtures creativity, communication, and critical thinking by providing a platform for writing, debating, and public speaking. It conducts weekly discussions, competitions, and workshops to build confidence and oratory excellence. Notable events include Prastuti, a debate competition in Sambhramaa, and Spellathone, a spelling and vocabulary contest. The Cell also publishes the monthly magazine Krishi Unnati, featuring student creativity, institutional activities, and insights from academicians and industry leaders

AGROMARKETING CLUB

The Agro-Marketing Club at ISAB is a hub for discussing, designing, and implementing marketing strategies tailored to consumer needs while ensuring value for producers. It encourages creative thinking, innovative ideologies, and ethical practices to align with real agri-market scenarios. A key highlight is Vishleshan, a case study competition in Sambhramaa, where students analyze and solve real-world marketing challenges. Through such initiatives, the club nurtures strategic thinking and market-driven innovation.

SPORTS CLUB

Sports Club at ISAB will provide healthy sporting habits among the students and is also an opportunity for the students who have an interest or their hobbies in sports like playing football, table tennis, Lawn tennis, chess, cricket, badminton, kabaddi, table tennis, volleyball, doing yoga, meditation, running, weight training with proper rules and regulations etc.

The main aim of the sports club is to make the students physically as well as mentally fit and the club will definitely help to develop teamwork as a skill among the students

CULTURAL CLUB

The Cultural Club at ISAB celebrates diversity and creativity through music, dance, drama, literature, and art. It fosters unity, leadership, and communication skills while enriching cultural awareness. The club organizes vibrant events and festivities, including Natraj (dance competition), Ganesh Chaturthi, Diwali, Onam, and other festival celebrations, making campus life lively and memorable.

ENTREPRENEURSHIP & INNOVATION CLUB

The Entrepreneurship and Innovation Club at ISAB is a student-led platform for aspiring innovators and entrepreneurs. The club fosters creativity, problem-solving, and an entrepreneurial mindset to prepare students for success in a global business environment. It offers mentorship, resources, and networking opportunities with startups, founders, alumni, and industry experts. Key initiatives include Parambham, a B-Plan competition in Sambhramaa; Intersection, a B-Plan Poster & Idea Pitching Competition; and Absolute Wild Honey, a student-led startup launched by the club. Through workshops, networking, and collaborative projects, the club helps students learn business skills, understand startup ecosystems, and transform ideas into impactful ventures.

MUSIC CLUB

The Music Club at ISAB provides a platform for students to explore and enhance their musical talents while fostering creativity, teamwork, and discipline. Through regular rehearsals and live performances, members build confidence, stage presence, and communication skills valuable for both personal and professional growth. The club also organizes engaging events, including Tarangeet, a singing competition in Sambhramaa, along with concerts and open-mic nights, offering students opportunities to showcase their talents and connect with diverse audiences.

DRAMATICS CLUB

The Dramatics Club at ISAB cultivates a vibrant theatre community where students unleash creativity, build character, and enhance confidence, communication, and presentation skills. With engaging performances and stage activities, the club inspires a passion for drama while preparing students with vital skills for future opportunities.

THE ACADEMICS AND ADMINISTRATIVE CLUB

The Academics and Administrative Club, led by Class Representatives, serves as the bridge between students and faculty at ISAB. The club ensures student welfare by providing academic support, managing class activities, and representing student voices to the administration. It also organizes events, coordinates lectures, and maintains communication, contributing significantly to students' academic and professional growth.

ACADEMICS &
ADMINISTRATIVE CLUB

CAMPUS LIFE AT ISAB: DYNAMIC, DIVERSE & DRIVEN

ISAB SPIRIT: LEARNING, LEADERSHIP & LIFELONG BONDS

Life at ISAB is a vibrant blend of academics, cultural fests, drama, and sports that nurture holistic development. Students actively participate in events, clubs, and competitions that enhance creativity, leadership, and teamwork. The campus offers a dynamic environment where learning meets talent, making every day a new experience.

MESSAGE FROM CHAIRPERSON- PLACEMENT & HEAD OF ACADEMICS

MS. SHWETA KUMARI

“ At ISAB, our Training and Placement Cell is dedicated to shaping students into confident, industry-ready professionals. We bridge the gap between academics and industry through training in communication, aptitude, interviews, group discussions, and professional grooming. Our focus is on building confidence, creativity, and leadership, while empowering students to pursue ambitious career goals.

We warmly invite recruiters to engage with ISAB and discover a pool of bright, motivated, and well-prepared professionals ready to add value to their organizations.”
